

Scientific Recognition: Risk and Resilience

Awards

Love Ekenberg

- Co-Inform - Co-Creating Misinformation-Resilient Societies H2020-SC6-CO-CREATION-2017, EU
- The Royal Swedish Academy of Engineering Sciences' top 100-list of interesting research for the industry

Advisory Boards

Love Ekenberg

- Board Member, Riksorganisationen för e-kompetens, The Swedish National Organisation for e-competence (REK)
- Board Member, Swedish Association for Distance Education (SADE)
- Board Member, Institute for International Economic Studies (IIES), Sweden
- Board Chairman, eGovLabm, Sweden

Adam French

- External Member, Research Review Board, Pontifical Catholic University of Peru

Wei Liu

- Science Committee Member, World Adaptation Science Program, United Nations
- External Science Officer, The Alliance for International Scientific Organizations (ANSO), Beijing, China
- Expert Committee Member, UNESCO-China Youth Development Foundation Mercedes-Benz Star Fund FIT Program on Conservation and Management of World Heritage Sites in China

JoAnne Linnerooth-Bayer

- Steering Committee Member, Austrian Climate Research Programme
- Munich Climate Insurance Initiative Board Member
- Climate Risk Adaptation and Insurance Executive Board Member
- IDRiM Scientific Committee Member

Reinhard Mechler

- Management Board, Climate Change Centre Austria (CCCA)
- Scientific Steering Committee, Basque Centre for Climate Change (BC3)
- Alliance Management Team, Flood Resilience Alliance
- Development Team, Knowledge Action Network on Extreme Events and Emergent Risks, Future Earth, IRDR and WCRP
- UNFCCC technical expert group on Comprehensive Risk Management, Warsaw Mechanism on Loss and Damage

Sebastian Poledna

- Advisory Committee Board Member, SigmaPhi2020 Advisory Committee, Crete, Greece

Stefan Hochrainer-Stigler

- Advisory Committee Board Member, Global Alliance of Disaster Research Institutes (GADRI)
- Management Board Member, Springer GADRI Book Series
- Member of the Board of Directors, Integrated Disaster Risk Management Society (IDRiM)

Muneta Yokomatsu

- Treasurer, Member of the Board of Directors, Integrated Disaster Risk Management Society (IDRiM)
- Councillor, Japan Society for Natural Disaster Science

Editorships

Love Ekenberg

- Associate Editor, *Group Decision and Negotiation Journal*

- Guest Editor, Yearly special edition, *Journal of Mathematical Problems in Engineering: Building Mathematical Models for Multicriteria and Multiobjective Applications*
- Editorial Board, *EURO Journal on Decision Processes*
- Advisory Panel, *The International Journal on Advances in ICT for Emerging Regions*
- Advisory Board, *Designs for Learning* (from 2015)
- Associate Editor, *The International Journal of Public Information Systems*
- Editorial Board, *The Journal of Risk Research*

Adam French

- Editorial Board Member, *Revista de Glaciares y Ecosistemas de Montaña* (Journal of Glacier and Mountain Ecosystem Research) of Peru's National Institute for Research on Glaciers and Mountain Ecosystems (INAIGEM)

Wei Liu

- Editorial Board Member, *Socio-Environmental Systems Modeling (SESMO)*
- Guest Co-editor, *Ecosystem Health and Sustainability*, Greenhouse gas (GHG) emission mitigation and Ecosystem Adaptation in Silk Road Economic Belt
- Guest Editor, *Landscape Architecture Frontiers*, Polycentric Governance and Landscape Resilience

Thomas Schinko

- Editorial Board, *Journal for the Planet*

JoAnne Linnerooth-Bayer

- Associate Editor, *Journal of Risk Research*
- Associate Editor, *Risk analysis*
- Editorial Board, *Integrated Disaster Risk Management*
- Editorial Board, *Economics of Disasters and Climate Change*

Reinhard Mechler

- Editorial Board, *Climate Risk Management*
- Co-editor, Springer book series Climate Risk Management, Policy and Governance
- Editorial Board, *Mitigation and Adaptation Strategies for Global Change*
- Editorial Board, *Economics of Climate Change and Disasters*

Stefan Hochrainer-Stigler

- Editor, Disaster and Risk Research Book Springer Series
- Editorial Board, *Russian Journal of Earth Sciences*
- Editor and Head, *Integrated Disaster Risk Management Society Newsletter*
- Associate Editor, *Integrated Disaster Risk Management Journal*
- Editor, GADRI book series

Susanne Hanger-Kopp

- Guest Editor, Special issue: Assessing risks and uncertainties of low-carbon transition pathways, *Environmental Innovation and Societal Transitions*

Muneta Yokomatsu

- Editor in chief, *Journal of Natural Disaster Science*
- Editorial board member, *Journal of Japan Society of Civil Engineers*
